Frommer's Paris Day By Day

Synopsis

Frommer's books aren't written by committee, or by travel writers who simply pop in briefly to a destination and then consider the job done. We employ the best local experts to author our guides, like longtime Paris resident Anna E. Brooke. In this innovative, easy-to-carry, itinerary-based guide she shows readers how to see the best of the City of Lights in the smartest, most time-efficient way. The book includes chapters on the best of Paris in one, two, or three days, thematic, self-guided tours for every interest, schedule, and taste, and walking tours of the city's best-loved neighborhoods. It features hundreds of evocative photos, bulleted maps that show you how to get from place to place and offers highly opinionated hotel, restaurant, shopping, and nightlife reviews for all budgets along with a tear-resistant foldout map; enclosed in a handy plastic wallet you can also use for tickets and souvenirs.

Anna E. Brooke relocated from her native Britain to Paris in 2000 and hasn't looked back since. She is now a full-fledged bohemian, juggling life between freelance travel writing (Frommer's, Sunday New York Times Travel, Time Out Paris and the Financial Times), children's fiction, acting and songwriting for film and her electro-pop band, Monkey Anna (soundcloud.com/monkeyanna).

Great guidebook with setting expectations and providing key items to see and visit. Great example was the Louvre, which could overwhelm you with its size. A total of nine key things to see afforded

us the opportunity to get a feel for the total museum and see the highlights in 2 1/2 hours. Loved it! Will go back another time for a deeper dive.

Easy to read. Short phrases with no extra wordiness. Like the topic divisions, "Best of" divisions, and maps. Small enough to carry in your purse. Able to quickly locate information.

Good information. Book fits in your pocket. Great walking tours!

Very helpful both before I went and during my stay. The maps we used on a daily basis.

good for quick ideas but not much depth. good map.

Very helpful -- lots of details on planning the best trip.

I love the Frommer's day by day books.

Great guide!
