Unfinished Business

A Collection of Reader-Submitted Medical Stories

Synopsis

Author Kerry Hamm (Real Stories from a Small-Town ER) is back with another compilation of stories submitted by her readers, with a few more of her own ER experiences tossed in the mix. These stories are raw, hilarious, heartbreaking, infuriating, and confusing. Some will leave you laughing so hard you cry, while others will tug at your heartstrings and have you running for the tissues.

Customer Reviews

Kerry Hamm is one of my favourite writers. I love the way the stories are told and how each one is individual, so you can read one, put it down and come back and read another complete story.

it was a nice read

Working in a similar field, these stories really hit home!

When you need a good laugh, or if you need a good cry, grab one of Kerry's books. Every story makes you think, can make you cry, can make you laugh, can make you happy its not you! I love these books. True, heartfelt stories of life in the medical field that get right to your heart. Get a box of tissues, make sure you comfy and settle down to read. Trust me, your gonna enjoy these books!

Always read the Kerry Hamm books. Her stories about patients coming in to the ER are interesting and funny. Of course, there is also some heartbreak too. Read them all!!
