Courageous Faith

Synopsis

Obstacles* Battles* Weakness* Fears* Learn to face life's greatest challenges with courageous faith in the power of God. Faith is the key that unlocks the power of God in our lives. It enables us to live by His promises and experience His blessings in our personal lives. In **COURAGEOUS FAITH**, Ed Hindson encourages us to live beyond the normal limits of life and experience the unlimited power of God on a regular basis. based on the lives of the Hebrews heroes of the Old testament, this exciting book challenges us to overcome our barriers, conquer our fears, realize our goals, and start over when we fail. Relive the greatest moments of faith and triumph in the lives of the men of God who dared to believe His promises in their lives. This practical and powerful study is based on the lives of the Hebrew heroes who dared to believe that God keeps His promises

Customer Reviews

What an amazing book. Well written, easy to understand & to the point with great examples and great background info on each person highlighted. It puts some meat on the bones of the Bible in a great, faith increasing way. Each and every chapter has convicted me in some way.

This book takes an easy to understand look at several key characters of the Old Testament and applies lessons from their lives to ours today. It addresses different areas of life, so some are more applicable than others, given where you're at personally. The one criticism I had to this book was its decidedly patriarchal theology. It is written from the view of male leadership being ideal. The clearest example of this was the assessment of the story of Deborah in the book of Judges. This story, according to the book, shows us that the male leadership in Israel was so anemic that God needed to have a woman fill the role. All told, though, a good applicational look at OT characters.

This book is great for a new Christian or a Christian who doesn't know much about the Old Testament, which unfortunately is a large percentage of Christians nowadays. If you don't know anything about the OT, it will help you get the big picture of what's going on. However, I was disappointed with it overall. It was required reading for a college Bible class and it was really easy to read - a little too easy for my preference or expectation for a college level class. The main thing I didn't like about it is exactly what another reviewer stated: it takes too many liberties with the stories. In trying to summarize and tell the story in today's vernacular, the author creates dialogue that could have taken place, but the Bible never states that it does. If you don't know the stories, you won't realize that's what's happening, but if you do know the Scriptural accounts well, the book leaves you saying, "Wait a minute, I don't recall this person saying/doing/thinking that!" It just left me a bit uncomfortable.

AS DESCRIBED, ON TIME DELIVERY

This guy was my old testament professor. He is a boss. This book will help you understand a very

difficult subject, the Old Testament, and most importantly apply the lessons to your life. He won't try to make the Old Testament say what he wants it to say, he will simply make clearer some stories. Highly recommended.

This book was used for a college course on the Old Testament. Very interesting commentaries, but perhaps high school, not college level materials. Useful for the course.

great

I can't imagine how difficult it is to write a book, but this book was not what I hoped it would be. I frequently teach adult Sunday School and I had high expectations that this book would allow me to teach a series of Sunday School lessons without the amount of background work that I often do for a class in addition to such books. However, I was disappointed. This book just did not come through as I hoped. It just is not sufficient for my lessons. I gave up on this book and went back to old fashion work with my Bible and commentaries. I do not recommend this book for adult Sunday School teachers.
