Customer Reviews

I have read quite a few travel guides. I think this one is the best I've read. It is insightful, comprehensive, very readable and well organised. The tone of the writing is friendly and reflective. The guide has helped me greatly in planning a Sardinia trip. I haven't been there yet but after reading the guide I almost feel I have been. Well done Robert.

the book came promptly and in good condition. I am enjoying reading about this part of Italy!

Informative with solid advise for planning a trip there.
