## Synopsis

This illustrated Travel Guide is a part of the Mobi Sights series, our concise guides that only feature the most essential information on city attractions. This guide is designed for optimal navigation on eReaders, smartphones, and other mobile electronic devices. Inside you will find a locator map and a list of top attractions linked to individual articles. Addresses, telephones, hours of operation and admissions information are included. This travel guide also features an itinerary with our suggestions for your travel route. Itineraries include links to individual attraction articles. Please search for "Travel Moscow," part of the Mobi Travel series, if you are interested in the complete travel guide that includes more maps and attractions with additional articles on history, cultural venues, transportation, districts, dining, accommodations, units conversion, and a phrasebook. ## Customer Reviews

I was directed to this app by my nutritionist. It has an amazing huge database of nutritional characteristics of foods, it is easy to use, and has really helped me know and control what I eat. It is not a quick fix - slow and easy is a better description. I lost 15 pounds in about 5 months. Then Thanksgiving and Christmas came and I regressed about 3-4 pounds, but I am back to the 15 pound loss and going down again, slowly, as planned.
