Soichiro is the artist behind Umineko When They Cry Episode 4: Alliance of the Golden Witch and Rose Guns Days Season 1. Ryukishi07 leapt into the spotlight with HIGURASHI NO NAKU KORO NI which was originally conceived as a series of visual novels and later adapted into the popular manga and anime franchise.

This is the penultimate book for the question arcs. Answers soon! This book was amazing. Laughs, tears, magic, theories, battles, and of course several clues all packed into one! The book opens with one of the biggest twists (or is it?) of the 4 question arcs. Then we learn quite a bit about the pasts of Ange and Maria (which for me was very emotional and one of the hardest parts of the series to get through so far). The second half of the book is quite easy to get through though, with lots of action, magic, and mysteries. This arc and this book especially, is a good break if the series was

starting to get monotonous because there is not a lot of focus on the interaction between Battler and Beatrice and more on the gameboard and pasts of the other characters. You will also meet new characters in this book which was a huge highlight for me, especially the introduction of Gaap. As with the last one, the book goes from past to present a lot so it may be difficult for some readers. But if you have understood the series up to now, you should be fine. Soichiro's art is outstanding and it really shows here. I didn't know that certain characters could look so beautiful, creepy, or both! Once again, the color inserts are lacking though. There are only three including the unused cover. This isn't a make or break but I would love to have more color inserts from this talented artist! I don't know if this is an Episode 4 thing or what. I hope so. Also, there was no letter from Ryukishi07! I really enjoy reading his letters because they give so much insight into his work. Again not make or break but it was sad to not see one! I am hoping these flaws are fixed in the next book! Bottom line, a 5 star book with not enough extras. But the ending will leave you hungry for more, so it is forgivable! :)

I love this series so much! If you are looking for a manga series to read that has horror, supernatural elements, mystery, and a lot of unsolved murders, then you'll enjoy this one!
