Customer Reviews

Roger Steiner was a lexicographer, an emeritus professor of linguistics and cognitive science, a Fellow of the Dictionary Society of North America, and the author of numerous foreign language dictionaries. In his youth, Steiner served in World War II. He taught linguistics at the University of Delaware for 33 years. Roger Steiner passed away in 2012 at the age of 88.

Doesn't contain every word (maybe not as useful for an Intermediate to an Advanced French speaker) but this is an excellent collection of French words for a beginner level French speaker. The

only brand better and more complete than Bantam, is Oxford.

I sought out this dictionary and bought it used. I had been looking for a good portable French-English and English-French dictionary. This dictionary has a verb conjugation section. It is quite old, but I bought a used paperback version from the late 1980's I think. I have no complaints whatsoever. It's perfect for what I need. I think the extent of vocabulary included is perfect and exceed that of any current small dictionary I could find on the market. I am very glad I found this, and I hope that you can find one of them, if your needs are similar to mine. The dictionary is small and light, but very comprehensive for its size. It's perfect for taking to French class or for any kind of travel situation. It would also be very good for a French speaker learning English. The verb conjugation section is handy and obviates carrying around a second book of conjugations.

Great dictionary. I just wish the font was a little bit bigger. But a small font is a trade off for a compact dictionary.

I benefited from this item.

I don't like this book! It looks so old! The quality of the paper is not good!

I bought this for my son who was starting French in middle school. As other buyers have mentioned, this does have a LOT of words, but the text is small. No complaints from my son so far.

Best dictionary by far with good verb review

We wore out our old French-English Dictionary and expect it will continue to serve us well.
