Her Brother's Keeper (An Amish Secrets Novel)

Synopsis

Charlotte's heart has been hardened by personal tragedy, but now she has the chance to find peace in a place she didn't expect. Charlotte Dolinsky arrives in Lancaster County with brand new Amish digs and a renewed purpose. It doesn't take her long to fit into the close Amish community. She might not know how to cook, sew, tend a garden, or milk a cow, but she knows how to lie. And she is a woman on a mission to wreak havoc on the Plain people and seek revenge for the death of her only brother. But a quiet stranger throws a kink in her plan not long after she arrives. As she delves deeper and deeper into what makes this handsome Amish man tick, she begins to wonder about her intentions and the direction her life is taking. At twenty-four, Isaac Miller is still unmarried and doesn't see his status changing anytime soon. The Lord has blessed him with above-average physical attributes, but his awkward shyness keeps him from pursuing a relationship with anyone. When Charlotte or "Charlie" as she calls herself arrives in Paradise, she steals his heart, and he longs to be a different man. Can Charlie get past the resentment she feels and open her heart? What happens when Isaac comes out of his shell, drawing attention from all the available women in the area? Will Charlie be able to hold onto him? And will he still want her when he learns the truth?

Customer Reviews

TOP PICK from Romantic Times Magazine -- "Wiseman has created a series in which the readers have a chance to peel back all the layers of the Amish secrets." --This text refers to an alternate

Audio CD edition.

Award-winning, bestselling author Beth Wiseman is best known for her Amish novels, but her most recent novels, *Need You Now* and *The House that Love Built*, are contemporaries set in small Texas towns. Both have received glowing reviews. Beth's highly-anticipated novel, *The Promise*, is inspired by a true story.

I didn't like the main character, Charlotte, very much in the beginning. She tells a lot of lies. It was necessary for the story, but I don't admire people who lie to get what they want. But this story was more about a faith journey than a romance. Charlotte had no faith. Her brother had joined an Amish community, fallen in love, and before the wedding, he committed suicide. Charlotte blamed the Amish. She pretends to be Amish - a long-lost cousin of her brother's fiancée, so she can discover what pushed her brother over the edge. In the mean time, she learns about God, and falls in love with her new family, although, she knows they will hate her when they find out about her lies. This is book 1 of a new series, and I cannot wait for the rest! I haven't read much of Beth Wiseman before - but I will add her to my list of good authors. The professionally published books cost a little more than the indies - but I find them so much more enjoyable. Many indie authors do not do their homework and publish unedited rough drafts. This book is perfect. It is well-written, well-edited, well-formatted and completely enjoyable.

This story follows a woman desperate to learn what caused her dear brother's death in an Amish community. Although the outcome of deceit was a little predictable, the story flowed beautifully and held my interest. What I like best about the author is that she seems very knowledgeable about the human psyche and this makes so many of the characters in her books believable.

Charlotte was an abused child. For two years her brother Ethan and she were apart. They survived their childhood and are now young adults. Ethan has moved and accepted a new religion and life. Ethan commits suicide and the story is how Charlotte deals with his death.

Enjoyable book but I found it difficult to get into the story. Maybe it's because of the mental health issues that are discussed the book needed several chapters to develop. I would recommend it but it wasn't my favorite Beth Wiseman book.

This book kept me engaged and not wanting to put it down. Often times a book seems like "just the same story retold" but this story kept me engaged

As always, Beth Wiseman does not disappoint with her newest book, Her Brother's Keeper. It takes place in Lancaster County, PA and deals with everyday, real issues. I could not put the book down & was so sad when I got to the end (simply because I hated that I was finished with the book). I am already looking forward to the next book in this series. You will not be disappointed with this purchase!!

I really enjoyed this book and look forward to the next one. I think it was slow taking off to hold my interest, but was well worth it!

Very good read. Wanted to keep reading
