I love off the beaten path books, BUT THIS ONE DID NOT GET OFF THE TRAVELED ROAD. No insite to remote places that you can not get for free on several websites. I can go to VituralTourist.com or Tripadvisor.com and get the info in this book for free. Usually you get information in these books you can not received other places. Little known sites, hideaways,etc. None in this one.DO NOT WASTE YOU MONEY

this is a good book to looking for out of the way places, along with listing of the main tourist sites. Nice as it is broken down by geographic areas on each island, so it makes easy to plan your day trips.
