Frommer's Amsterdam Day By Day

Synopsis

Though the architecture of its central district is unchanged since the 1700s, Amsterdam is one of the most modern cities of Europe in terms of its lifestyles and public policies. This 184-page Day by Day Guide, profusely illustrated with four-color photos and maps, carefully guides you to the most absorbing, the most revealing, of the city's attractions. While its main emphasis is on wisely allocating your time in Amsterdam (day by day itineraries), the book otherwise deals with practicalities: hotels, meals, museums, shops and nightlife.

Sasha Heseltine has circled the globe, feeding orphaned wallabies on South Australia's Kangaroo Island, getting lost off-roading in the Sierra Nevada, diving with manta rays in the Maldives, and hot-air ballooning in eastern Poland. Back home in the UK, she reviews hotels and restaurants for local media, and writes about her travels for international print and on-line publications.

Great Guide for Amsterdam with maps, photos, and descriptions! It's loaded on my Kindle and will help make the most of our time exploring the area!!

The map is worth the price of the book. The tips on restaurants and museums were well used by me on my recent vacation. DM

These are my favorite guide books for travel. All the best information, a decent map and still small enough to fit into my purse or backpack for daily use.
