Helped me get around Amsterdam.

rcvd what i ordered and expected.

Like it very much! Will use it soon

Not what I was expecting...will be shocked if this handles the trip without rips or tears. It's a light weight paper map, lightly coated to resist water. I thought it would be thicker quality paper. I like the laminated folding maps. My bad for not reading description better. Shall update review once return from travels. Everything listed on map is easy to read and well marked.UPDATED - worked great! did not tear and was folded and refolded and crammed into pockets and back packs numerous times. Did it's job!

It was helpful to go old school with this map in Amsterdam because I didn't have international data and couldn't use the GPS on my phone. All the streets in Amsterdam look pretty much identical, so the map came in handy. It folded easily and resisted the rain.

Misleading and false information in description. This is a paper product soon to wear out (and easily be ruined in inclement weather) with a partial, cheap, and poor case that they claim is "durable".
