County Fair (Little House Picture Book)

Synopsis

It's an exciting day for Almanzo as the Wilder family visits the county fair in this second My First Little House Book adapted from Laura Ingalls Wilder's classic Farmer Boy. There are contests, races, and good things to eat, and Almanzo can't wait to see what the judges think of his special pumpkin. Jody Wheeler's luminous illustrations bring Laura's beloved farmer boy to life.

Laura Ingalls Wilder (1867-1957) was born in a log cabin in the Wisconsin woods. With her family, she pioneered throughout America's heartland during the 1870s and 1880s, finally settling in Dakota Territory. She married Almanzo Wilder in 1885; their only daughter, Rose, was born the following year. The Wilders moved to Rocky Ridge Farm at Mansfield, Missouri, in 1894, where they established a permanent home. After years of farming, Laura wrote the first of her beloved Little House books in 1932. The nine Little House books are international classics. Her writings live on into the twenty-first century as America's quintessential pioneer story. Jody Wheeler is the illustrator of over forty books for children, including three picture books about

Almanzo Wilder. She lives in New York City.

My kids love all of the books in the series. They weren't as fond of this one because Laura wasn't in the book. It wasn't clear in this book by itself how Almanzo and Laura are related. Still a great book but those details were confusing to my kids (ages 3 & 6).

Everyone should read the books in this little series! The illustrations alone are breathtaking! Not comical, but brilliant coloring and vivid pictures! My children love these! Great lap-sitting books!

Perfect for my 2nd graders.

My five year old granddaughter adores this series. Need to buy a few more books to complete the series.

Love all these books very fun for kids

The entire series of My First Little House books are great for younger children. I have always loved Little House and could hardly wait to share it with my daughters. With these books I can start reading to them about Little House when they are toddlers. The illustrations are lovely and the text is simple but descriptive. I would recommend any of this series.

Laura Ingalls is such a wonderful story teller. Makes the story come to life. Makes you want to go back and live there for a time.

We are trying to buy the entire collection of these "My First Little House" books, this was just another one we didn't have. Good clean stories and my five year old granddaughter just loves them all.
