Customer Reviews

Today it's really hard to find one person who doesn't know or hasn't heard of Pokemon Go. But

there's so much info and updates and I always feel stupid while doing something I'm not sure how to succeed in. That's when I discovered this book, it gradually explains all useful tips and tricks on how to play, score and have fun catching Pokemon!

Pokemon is a fun game, and even better if you play it with one or more friends. This guide will show you where to spot and catch different types of Pokemon figures, Pokéstops, all about eggs, how to evolve and more. It works with Android and iPhone. Be careful around bodies of water so that you don't fall on a river or over a cliff and by all means do not play while driving a car. Lots of tips in this guide.

Great book on Pokemon Go, everything is well explained and easy to understand. The tips in this book are on point and good for the beginning pokemon trainer! Happy hunting

Such a fun read! This guide makes the game more interesting for me! I have used the tips with great success!

I have been looking a good book about Pokemon go for some time.so when I saw this book on ,I didn't hesitate to download it immediately . This book has great instructions about how to find Pokemon to fighting battles. This book has taught me many things about the app. This guide is packed with a lot of detail that you need to become a master trainer in this game. Pokemon go is the most revolutionary game that has come out in the last few years. Why not get a guide to master it?

Hey Brad,Our team loved your book and we would like to entertain the possibility in collaborating with you.Would love to discuss more with you.You can email me at: melissa at advertisehealth dot com.Thanks!Melissa
