## **Customer Reviews**

Content already delightful, now in kindle format a huge convenience. Thanks!!!

nice to have the prayer book on my Kindle so that I can look at things anytime and anywhere

Every home should have this! I take mine to and from services. I also mark the normal prayers we do so I don't have to keep flipping around if the page number isn't announced.

also great for a mobile copy on my phone, or iPad. easy to follow and use.

Considering the restraints that the OS places on left to right languages, it is an excellent reproduction of the paper one.

Excellent product. Excellent seller, top notch customer service.

I love it. It's exactly what I use at temple. Easy to read and navigate through.

Wonderful update
