Tantric Transformation: When Love Meets Meditation (OSHO Classics)

Synopsis

In the 'Tantric Transformation' we are introduced to the sacred and ancient tradition of Tantra by a contemporary Tantric master, Osho. We are given a detailed map of Tantra: inner man, inner woman; the meeting of man and woman; the transformation of energy through sex, love and meditation. Based on the Royal Song of Saraha, we are not just introduced to an Asian sex tradition but with Osho we enter the higher levels of transformation. Here we find Tantra as a door to freedom: freedom from all mind-constructs, mind games; freedom from all structures and freedom from the other. Love and meditation merge and provide a path to liberation.'Tantric Transformation' is a very alive, concrete book for exploration of our own energy, of our own inner space. You don't just read Osho, you undefine yourself.

"His incredible taped discourse lectures and books have inspired me (and millions of others) on the path of self-evolution... He is like a great bell tolling, Awaken, Awaken, Awaken!" -James Coburn, actor

Osho is a contemporary mystic whose life and teachings have influenced millions of people of all ages, and from all walks of life. His often provocative and challenging teachings generate today more and more interest and his readership is dramatically expanding around the world in more than

fifty languages. The Sunday Times in London named Osho as one of the "1,000 Makers of the 20th Century". He is known around the world for his revolutionary contribution to meditation - the science of inner transformation - with the unique approach of his "OSHO Active Meditations" acknowledging the accelerated pace of contemporary life and bringing meditation into modern life

Its awesome... I have enjoyed it thus far.

The whole world should have to read and study this book! It should be required reading for high school. Great read.

OSHO, once more, you have offered more wisdom to share.

Excellent book about Spiritual Transformation, and how our desires can take a hold of us, very interesting read! and helpful!

trying to get my husband to read this book

I never thought of my misunderstandings about life and love. Thanks to Osho I am seeing things as they are...

Transformative. Insightful. Enlightening. Edited with an ease of flow. Could not put it down. Highly recommend for anyone searching for understanding.

I own many books of Osho and I do some of his meditations. This book is really not about Tantra. I'm a student of Tantra and this is not it. It is a bunch of non sense. It has a lot of parts that seem like fillers. I give it 2 stars because it has some humor - which I appreciate but really not worth it if you are diving in the Tantra world.
