This series is really well done. The arrangements are easy to play and the layout is very well done. I was able to sight-read most of the pieces that I'm familiar with pretty well, and that speaks to the quality of the arranger's job. It's also a really good selection of music from the era. We've had hours of fun with it and expect to have many more.

This New Decade Series is fantastic! The backtracks are authentic and piano parts work well! I keep playing them over and over!

Great arrangements/transcriptions. Lots of great music. Great price.

Easy and fun!
