Customer Reviews

These recipes don't necessarily need the Instant Pot, as they can be made in a crock pot, cooking pot, oven, and regular pressure cooker so I don't have to buy a new pot for what I already have. Browsing through the recipes most are easy to make with common ingredients. Index lists recipes under "Slow Cooker Recipes" with sub-index for the usual Dinner, Breakfast, Dessert, and Healthy Recipes. Also for special diets, soups and stews, five ingredients or less (my favorites), dump meals, freezer meals, Paleo diet, Mediterranean diet, Cooking for two, chicken and vegetarian recipes. And that is just under slow cooker recipes! It's like having Pinterest at your fingertips.

This cookbook is superior to different books in a way that it set out the techniques in the least complex way. You will never come up short on great formulas regular in light of the fact that the 2,500 formulas inside it were all here. Cherished this book and its substance. :) I am happy to the point that I purchased this one and happy to find and attempt new formulas here. Great job!

I always love the cookbook because it has delicious recipes you can make for yourself and your family. I really fall in love with this book because it has 2000 plus delicious instant potbook recipes. Which can also save my time .

Perfect cookbook. Thousand of yummy recipes. I really like this book. This book is really helpful for the people who want to make yummy and delicious recipes. Already try some recipes. Recommended to all.

My wife is a great fan of healthy plates. This book really gave her something to learn and try for the benefit of our family. Great Book..love it..recommended :)

This book is really amazing and useful book . I just love this book. It's really super. Highly recommended. Boost to buy it

The Instant Pot is an all-in-one kitchen cooking appliance that has simplified the cooking time and process for many of people around the globe! This is a large recipe book, and contains incredible recipes for cooking in Instant Pot. I've already tried several recipes and I'm in love with how simple the recipes are to follow, how quickly I have a great home cooked meal, and delicious food. I'd recommend this cook book for the Instant Pot to everyone!

Awesome! No need of wasting time with other books and read it now because the author understand it what you like to eat and that should be healthy too. This book contains healthy and tasty recipes of instant pot cookbook for vegetarian Legends. Each of these developed your taste if you try it once you will like to try it again and again. This is really worth buying book!
