2014 National Geographic Lighthouses Deluxe Wall

Synopsis

Modern navigational aids have rendered most historic lighthouses obsolete, but public fascination with their romance and history has encouraged the preservation of many of these landmarks.

National Geographic Lighthouses 2014 captures the majesty of these monuments to the sea in a series of striking photographs. Each beacon of light is situated on unspoiled coastal terrain.

Customer Reviews

Beautiful pictures

My husband loves light houses so he loved this. Bought it for our home office.
