## Customer Reviews

Great music book. We were able to learn a lot of new Jazz songs.

Every trumpet player should read it!

This was the first book I ever purchased when learning to play jazz trumpet. I was actually studying with Ken Sloane at an Aebersold Jazz camp when I bought the book. I purchased this copy on for my son, who is now learning jazz trumpet. It is a wonderful collection of some of the best jazz trumpet solos ever recorded.

Exactly as advertised...very pleased.

Great for my freshman child, to progress to first chair in band.

Grandson loves to play.

Love this book. Good solid, you can find almost all of them fairly easily online.

I was disappointed with the purchase because I was not aware of its difficulty level and it is above a beginners ability.
