Political Parties (American Government Handbooks)

Synopsis

Political Parties are not mentioned in the Constitution. How did they come about? Why are they important? This handbook examines the two-party system in the U.S. and how it evolved. Five unique handbooks comprise the new American Government series. With the confusing political discourse in today's world, it's no wonder kids tune out. How can we tune them back in? The stale descriptions in standard American government textbooks do nothing to motivate learning. The readability is too high. And the language too dry. How can we make it personal? Accessible? Interesting? Even humorous?

Book Information

Series: American Government Handbooks

Paperback: 85 pages

Publisher: Saddleback Educational Publishing, Inc. (May 1, 2016)

Language: English

ISBN-10: 1680211226
