Majestic Mandalas MIDNIGHT Edition: 100+ Gorgeous Mandalas On BLACK Backgrounds To Color

Synopsis

Artist Tabitha L. Barnett has created yet another beautifully hand drawn adult coloring book for fun and relaxation. There are so many mandala coloring books on the market right now, but none compare to Majestic Mandalas MIDNIGHT Edition! The designs range from fast and simple to delightfully detailed, so if you're new to adult coloring, or a seasoned artist, there's something for every mandala lover inside. Inside of Majestic Mandalas, there are 110 beautifully circular mandalas that provide just the right amount of repetition and creativity to color tension and worries away, you'll enjoy EVERY single one! Unlike your average mandala, each of these unique compositions has its own specific style and feel. Each image is printed on only one side of 60lb. paper with BLACK BACKGROUNDS that reach completely to the edges of the paper. In the back you will find a chart for recording your favorite color blends, also on black background. When you put color to these gorgeous pages, your colors will POP on the black background, creating your own personal masterpieces! ENJOY!
