Big Book Of Marbles (Everett Grist's Big Book Of Marbles)

Synopsis

Many new color photographs showcasing thousands of machine made and contemporary marbles have been added to make this book an even bigger Big Book of Marbles. This second edition brings added discussions on marbles at auctions, art glass and new comics, and lists marble clubs. Grist has also drawn from one of his other books, Machine-Made & Contemporary Marbles, for this new edition. Now with almost 400 large, detailed, full color photographs. 2004 values. **AUTHOR BIO:** Everett Grist is the author of several books on marbles: Big Book of Marbles, Machine-Made & Contemporary Marbles, and Antique & Collectible Marbles. He is also the author of Collectible Aluminum. **REVIEW:** This book is a comprehensive identification and value guide for both antique and machine-made marbles. Manufacturers are discussed, and thousands of marbles are shown - transparent swirls, onionskins, agates, sulphide, china, clambroth, and many other types. Marble related items, which are also collectibles, are also shown.

Customer Reviews

Grist has made it easy for young and old alike to discover the wonderful world of marble collecting--without getting taken to the cleaners. Not only does this volume thoroughly describe how to identify various marbles, it pictures many of the common marble varieties with very clear, full color, closeup photographs...-R. Great book on marbles. Provides a great deal of information.

Everett is very "old school" but he was very much ahead of his "time" regarding understanding the art marble making. I hope someday to find a book about that.

very helpful book right price too

Informative and has some other information not found elsewhere

very good book any starting collector should get this to start.

An Excellent Marble Publication....

Great

Photos are fantastic and information is great for helping you identify your old marbles. I knew nothing about the marbles that I inherited. This book has made it fun to find and identify the ones that I have. Shipping was fast.
