When Lisa's son prepared for a deployment, she shed many tears amid sleepless nights. Feeling alone and unprepared, she scoured the Internet to educate herself about the mission over there, in a strange mix of fear and pride. She founded Army Mom Strong, an online Facebook community of over 93,000 that supports moms of Army service members. Elaine Lowry Brye, author of "Be Safe, Love Mom," is a mom who knows about letting go. Like many moms, she cried when her kids left home, wishes they'd call and write more, and spends sleepless nights worrying about them. But Elaine's tears and concerns are even more poignant than most mothers' because Elaine is the mom of four military officers, one each in the Air Force, Army, Navy, and Marines.

Bought this as a gift for a fellow military mom. I loved it so much I had to get one for myself.

As promised. Quick delivery.

Can't wait to read

I have purchased and read this the same evening I received it. I find myself going back to it almost daily for the moments im feeling overwhelmed with everything happening so quickly and my son hasn't even left for boot camp yet. Thank you ladies for words of encouragement in this journey.

This book is a must have for every mom with a son or daughter in the military! It is packed full of wisdom and is a great book to help us moms "...stand strong in the face of fear." I'm sure every military mom will find affirmation and comfort in the pages of this book. I found mine on page 8. I turn to this page often. Thank you for such a wonderful book and a reminder that we military moms are not alone!

Military moms sometimes need a respite from the real world...to immerse themselves in a beautiful world where someone understands the fear, the pride, the joy that only another military mom can provide. This book is that respite. It is lovely to read...to partake as you would a hot cup of tea on a cold rainy afternoon. It's is a soothing balm for the harried heart...beautiful photos and words that heal and inspire. It is a book I highly recommend for any mother of our defenders of freedom.

I enjoyed reading this book. As a military mom I could relate to so much of it's content. I recommend this to any other military mom. I am sharing with my friends, and they will enjoy it as well.

From the heart of this PROUD ARMY MOM.....THANK YOU!!! Your service is amazing! Thank you for all you do!
